## TOCINO

In Dumaguete, we call our pork barbecue "Tocino."

All of our tocino items are marinated in house and slowly grilled over Binchotan charcoal-A Japanese oak charcoal that has been pressed over 2000 degrees of heat.

Binchotan charcoal is widely considered by chefs as the best charcoal in the world for being exceptionally long – burning, odorless and smokeless.

All served with hanging rice 'puso' and our secret sauces.

### Welcome to Buglas Isla Cafe!

We are committed to providing an inclusive and welcoming environment for all our guests, including Senior Citizens (SC), Persons with Disabilities (PWD), National Athletes (NA), and National Coaches (NC). To ensure that we can continue to offer our services to those who genuinely need them, we have implemented a policy to verify the authenticity of IDs presented at our establishment.

### Why is this important?

**1. Protection of True Discount Beneficiaries** - Our primary goal is to safeguard the rights and privileges of the SC, PWD, NA, and NC. By verifying the presented IDs, we ensure that the benefits and accommodations we offer are extended to those who truly qualify, allowing us to maintain the integrity of our services.

**2. Maintaining Fairness** - The misuse of the SC, PWD, NA, or NC IDs not only undermines the privileges afforded to genuine beneficiaries but also impacts our ability to serve all guests. We believe in fairness for everyone, and it is vital that we uphold this principle in our operations.

**3. Business Impact** - Using fake or spurious IDs can have significant repercussions for our business. It can lead to potential legal issues, damage our reputation, and ultimately affect our ability to provide quality service. We want to ensure that every guest has a positive experience, and that requires a system based on trust and authenticity. Thus, our establishment reserves the right to report to authorities and help prosecute to the full extent of the law if any ID presented is found to be illegal or fake.

**How do we verify?** - When you present your SC, PWD, NA, or NC ID, our team will conduct a quick verification process to confirm its authenticity. Please understand that this is not meant to inconvenience you. Rather, it is a necessary step to protect the interests of all our guests and maintain the high standards of service we pride ourselves on. We appreciate your understanding and cooperation in this matter.
